Jean-Claude Manini

The Conference Board's former Senior Economist in Europe

jean-claude.manini@credit-suisse.com

Jean-Claude Manini, The Conference Board's former Senior Economist in Europe, is now working at a Swiss financial services firm. During his time with The Conference Board he helped analyze macroeconomic and financial conditions in Europe. He also worked with our Business Cycle Indicators team on research projects related to The Conference Board Leading Economic Indicators (LEI) for the Euro Area and other European countries.
