**Committee for Economic
Development of The
Conference Board**

**Joseph J. Minarik
(Moderator)**
Senior Vice President and
Director of Research
**Committee for Economic
Development of The
Conference Board**

Some of the critical questions and issues we will be answering today

- How will business fare in this extraordinary public health, economic and policy environment?
- How is the Congress likely to deal with this massive piece of legislation?
- Is the budget process, which gave us this reconciliation drama, working as it should?
- What will be the economic and financial fallout of reconciliation?

NEW Podcast Series: CEO Perspectives - Insights for What's Ahead™

On the latest episode of *CEO Perspectives*, The Conference Board President and CEO **Steve Odland** joined **Dr. Lori Esposito Murray**, President of the Committee for Economic Development, the organization's public policy center. The two take a deep dive into the current state—and daunting trajectory—of America's public debt and deficits, and how policymakers can course-correct to get the nation's fiscal house in order, before it is too late.

Available on our website at <https://www.conference-board.org/podcasts/c-suite-perspectives-podcast> or on most popular podcasting platforms, including:

Sustaining Capitalism

A podcast series brought to you by The Conference Board
Committee for Economic Development

The Conference Board Sustaining Capitalism podcast series provides executives with a deeper understanding about the major issues facing the US economy and how they can be solved. Join experts from the Committee for Economic Development to receive non-partisan, fact-based policy responses to today's most pressing economic, educational, and social challenges.
