

The Conference Board Policy Watch

Recovery and Rebuilding in America: 2021 Agenda

December 3, 2020

Some of the critical questions and issues we will be answering today

- How can the United States contain the pandemic, and reboot the economy from the sharp drop of earlier this year?
- How can the United States build a skilled workforce to remain competitive in the global economy?
- What must the United States do to reduce political divisiveness and restore a sense of cooperation even when we disagree?

The Pandemic Has Caused a Precipitous Drop in Employment This Year

C-Suite Executives: We Need Your Input!

Help us reach our goal. We're almost there.

In cooperation with 14 global organizations, we're offering business executives an exciting opportunity to take part in The Conference Board's flagship **C-Suite Challenge™ survey for 2021**, which identifies key strategies executives intend to use to meet critical business challenges and grow their companies.

Click [here](#) to complete so we can get your input on key business issues.
Hurry! Survey closes Friday, December 4th!

The survey only takes a few minutes to complete and your responses will be confidential.

And, as a special thanks for completing this survey, you will be able to access copies of the final reports by supplying your email address when prompted.

CED's 2020 SOLUTIONS BRIEFS ELECTION SERIES

- Reopening and reorienting the economy, and upskilling the workforce
- Improving remote schooling and revitalizing our education system to ready the future workforce
- Reforming health care to protect against pandemics and improve individual health
- Meeting needs in a fiscally responsible manner
- These are some of the issues for today

Sustaining Capitalism

A podcast series brought to you by
The Conference Board Committee for
Economic Development

The Conference Board Sustaining Capitalism podcast series provides executives with a deeper understanding about the major issues facing the US economy and how they can be solved. Join experts from the Committee for Economic Development to receive non-partisan, fact-based policy responses to today's most pressing economic, educational, and social challenges.
