# State of Heart Health 2021: Reversing the Effects of the Pandemic on Your Workforce

October 22, 2021

# Our Goals for Today:

- To advance Rally Health's thought leadership on heart disease and provide guidance for employee engagement, health management, and using digital tools like the Rally Coach portfolio.
- To raise awareness on the state of heart health concerns during the pandemic, how telehealth increases access to care, and actions employers can take to promote employee health and wellbeing.
- To highlight the legislative and organizational commitments needed to promote a heart-healthy workforce that includes telehealth.
